		While working the detail at Regal, Rose approached me to ask me questions about disposing of medication. Rose had been in the bathroom at Regal and dumped most of her medication into the toilet when she almost passed out. She was going to destroy the bottles and contents of the drugs that had fallen in. Rose did stated that she had lost numerous pills of Hydrocodine when she did this. She was not sure the amount but it had been all she had for the month. I told her that I would document the conversation but did not see how many had been destroyed.
